Required Special Groups (Continued)

1634(d) of the
Act

24. Disabled widows and widowers who would be eligible for SSI except for receipt of early social security disability benefits, who are not entitled to hospital insurance under Medicare Part A and who are deemed, for purposes of title XIX, to be SSI beneficiaries or SSP beneficiaries under section 1634(d) of the Act.

☐ Not applicable with respect to individuals receiving only SSP because the State either does not make these payments or does not provide Medicaid to SSP-only recipients.

☐ Not applicable because the State applies more restrictive eligibility than those under SSI and the State chooses not to deduct any of the benefit that caused SSI/SSP ineligibility or subsequent cost-of-living increases.

☒ The State applies more restrictive eligibility requirements than those under SSI and part or all of the amount of the benefit that caused SSI/SSP ineligibility and subsequent increases are deducted when determining the amount of countable income for categorically needy eligibility.
